

DRUMMOYNE SPINE & SPORTS

ASSOCIATE CHIROPRACTOR POSITION

Associate position available with Drummoyne Spine & Sports.

Suitable for a recent graduate interested in further developing their clinical knowledge and treatment skills.

A desire to work in the area of sports medicine is essential. The position includes work with a football (soccer) club. It will also include the opportunity to interact with sports medicine physicians and orthopaedic surgeons. There will be an exposure to sports medicine at a high standard.

We are looking for a reliable, honest and hard working practitioner that is interested in applying their knowledge and to continue learning. A sporting background is helpful.

Please contact David on 0412 435 154 or (02) 9181 3335.
