

Associate required in thriving practice on Qld's Sunshine Coast

A dynamic associate is required to take over a patient base of 200 patients. The position would consist of the doctor working in between our main clinic on the Sunshine coast within a short drive from Noosa where they will be taking over a patient base of about 140 patients per week and our satellite clinic in North Brisbane currently seeing about 70 patients per week. Both clinics see a steady stream of new patients with the main clinic averaging 9 new patients per week and the satellite clinic averaging 2-3 new patients per week. Main techniques used in the clinic are diversified and CBP. You will be provided with full mentoring by the principal, an excellent remuneration and be rewarded for your hardwork. New grads are welcome to apply. Please call 0430028039 or email drfirazchiro@gmail.com.
