

Chiropractic Associate Wanted

Hornsby Health Centre is looking for one full time
or two part time Chiropractors.

The business was started from scratch in late 2004 and has growing steadily. It has grown to the point where we are sending people elsewhere when we can't fit them in with only one chiropractor.

Hornsby Health Centre is a multidisciplinary clinic where we offer: Massage, Bowen, Acupuncture, Kinesiology, Homoeopathy, Reiki and Councelling but the busiest practice is Chiropractic.

Preference of technique is not locked in as long as some soft tissue work is included in the treatment (20-25 minute sessions rather than 5-10).

For more details please call Kris on 94828113.
