Central Coast – Associate required

To replace associate who has moved interstate after 4 years.
Techniques used include diversified, drop, soft tissue, activator, with a strong emphasis on rehab especially Prague School techniques. We provide patient centred care to clients ranging from newborns to the elderly. Part time position to complement principal who works limited hours.

Previous associate also worked part time in Newcastle based practice, 50 minutes away. This possibility also exists for the right candidate, but would need to have definite rehab focus to fulfil need of both clinics.

Both experienced practitioners and new grads are welcome to apply. Please email your interest with a copy of your resume to corlnapiltz@bigpond.com
