

## **Associate Chiropractor Required**

Associate position in Sydney CBD available. Will suit a new graduate with an interest in acute musculoskeletal pain and sports injuries. Must have good manual adjusting skills and be willing to learn non-manipulative techniques. This practice uses a lot of soft tissue techniques as part of the treatment. Therefore, an interest in this area is required.

A lot of training with the principal chiropractor will be provided.

Please call the practice on 9209 3800 for more information or email your CV with cover letter to: [stevecromechiro@gmail.com](mailto:stevecromechiro@gmail.com)
