# Graduate Position Brisbane

Unique opportunity to gain experience treating people and pets.

## Nat & Darcy Graduate Position

Contact Information: T 07 3162 6518 E [mailnat@mac.com](mailto:mailnat@mac.com)

Nat & Darcy is a fun, relaxed, happy place to work and we would love a new graduate to come and join our team.

Nat & Darcy is like no other Chiropractic Clinic. It is a practice for both people and pets. We treat families, athletes, pregnant woman, the elderly, dogs and cats. So you must love dogs. We have a doggy daycare attached to the practice, a pet boutique and a people boutique. If you do not want to work in an environment where patients pop by just to say hello, the part owner Darcy happens to be a Malt-Shih-Poo puppy dog, and the owner loves collecting fashion then this is job is for you!

We want someone open-minded, keen to try new things and have a 'give it a go' attitude. You must be a bubbly, energetic person. Salary is commission based with a retainer for the first 2 months.

Please e-mail a resume and brief summary of how you would like to treat patients ie. Appointment length, adjustment types, any soft tissue techniques. E- [mailnat@mac.com](mailto:mailnat@mac.com)
