PLATINUM CHIROPRACTIC ERINA HAS A FANTASTIC ASSOCIATE POSITION BECOMING AVAILABLE.

A unique opportunity exists for an ambitious Chiropractor to become part of a rapidly-growing multi-doctor clinic on the beautiful Central Coast 60 minutes north of Sydney.

Come and watch us work. If you like what you see, come and work with us and we will teach you how to develop a thriving successful practice of your own. Will provide you with eager, fully trained staff, fully equipped facilities, and systems and procedures to ensure you learn every aspect of how to develop and run a practice. You will be trained and tested in every area including how to conduct a thorough consultation and meaningful examinations that give you feedback and allow you to determine frequency and duration of care. We will fast track your technique skills. You will learn the art of finding and employing motivated team members. We will show you what works and doesn't work in marketing, public relations, office layout and design, etc. Most importantly, we will show you how to attend patient needs and develop a referral practice.

You will be given tasks and deadlines to meet and you will be required to work extremely hard to meet these objectives. Your performance will be continually reviewed and you will be given all the assistance and resources available to us to ensure you are successful. Our expectations will be extremely high as we value our reputation. If you apply yourself, you will benefit from our expansive knowledge and experience.

We have an Associate who is relocating overseas so you will step into a solid patient base of educated wellness based patients with a great opportunity for growth.

The successful applicants are passionately excited about the principles of chiropractic and have a driving ambition to help people. They are detail oriented, and have a hunger for the current literature, and want to contribute to the profession.

If this sounds like a challenge you can handle, and you really want to be a part of our team, please contact us.
